Unity Run & Walk

A man opened fire on police during a drug bust Thursday, April 12, 2012, killing New Hampshire police Chief Michael Maloney just days from retirement and injuring four officers from other departments. The shooting devastated Greenland, a town of 3,500 near the Seacoast that had just seven police officers including Chief Maloney, 48.

In those final days, Chief Maloney sacrificed his life in public service as a law enforcement officer.

In 2012, the Greenland and Portsmouth Police Departments teamed up with Millennium Running to produce the Chief Maloney Memorial Run, which produced over 2000 runners, and raised \$54,000 for the Chief Michael Maloney Fund.

This year we've teamed up again, proudly bringing to you the 2013 Chief Maloney Unity Run & Walk; a 5.4 mile run/walk from the Portsmouth Police Department to the Greenland Police Department in honor of all our community's first responders.

In-Kind Sponsorship

In-Kind Sponsors:

- Typically, In-Kind sponsors are vendors that are looking to advertise their product to participants at the post race event. Vendors benefit from a captive (hungry and thirsty) audience.
